Student Hit Near School Crossing

Boy Lucks Out With Only Minor Injuries

By JACK POLLARD
News Editor

James Wassberg, a sophomore at Mt. Miguel High School was hit by an auto Monday at 8:32 a.m. about 300 yards north of the Blossom lane and Sweetwater rd intersection in Spring Valley.

The youth, apparently ran across the street into the path of the oncoming vehicle driven by Barbara J. Bateman, 9049 Orville st., Spring Valley, suffered facial lacerations.

He was taken to Grossmont Hospital and later released after emergency treatment and X-rays. He has not returned to school yet.

Wassberg

was with four

other stu-

dents, Jim

Perkins, Rich-

ard Young,

Paul Stoudt

and Jeff Ho-

wee when

they were

walking south

on the east

side of Sweet-

water, head-

ing to the

school.

Instead of

continuing further south, to a

crosswalk, Wassberg appar-

ently decided to make his move.

He was hit by the front of the

car, then hit the windshield

and bounced to the ground.

According to Highway Pa-

tro Officers the driver of the

auto was "well within the

speed limit". Traffic moves at

45 miles per hour in front of

the school.

The San Diego County Traf-

fic Committee made a formal

study of the area recently.

They have been advised of

traffic problems existing in

the Blossom lane-Sweetwater

rd intersection since 1961.

In a meeting yesterday, traf-

fic signals at the much talked

about intersection was discus-

sed. The measure is numbered

ninth highest on a priority

list throughout the county.

It has been during the re-

cent months that the intersec-

tion has moved into a category

where lights would be justifi-

fied. Sweetwater rd. now car-

ries in the excess of 13,000

cars per day through the area.

Impatience Is Problem

Pedestrian traffic counted

on Oct. 11, 1968 at the intersec-

tion amounted to 12 persons.

This is not high enough to al-

low lights on that basis alone.

The problem exists, accord-

ing to a spokesman of the

county, "From parents becom-

ing impatient when attempt-

ing to make a right turn onto

Sweetwater from Blossom."

"It is not from pedestrian

traffic that a problem exists,

but the fact that drivers get

irritated when they have to

wait two or three minutes to

go onto the main artery," he

said.

County traffic officials said that the intersection has slightly less than one accident per million vehicles moving through the intersection.

Prior to their Oct. study, there had been three accidents in the intersection during a 12 month period that have been susceptible to correction under traffic warrants established nationally.

Accidents that fall under this category are ones that may not have happened if lights or some other method of traffic control had been enforced at that particular place.

County officials said that they realize that there has been an increase in traffic in the area, and that parents who drop students off at school, and then reverse directions immediately to return to the intersection, add to the congestion.

It will be a matter of time, even if the county does approve lights, before they would be installed.

Costs Are High

County Traffic Committee

Secretary R. J. Massman said,

"Once the need for lights at

the intersection has been ap-

proved, the cost would be ap-

proximately \$100,000.

Band Wins Top Honors

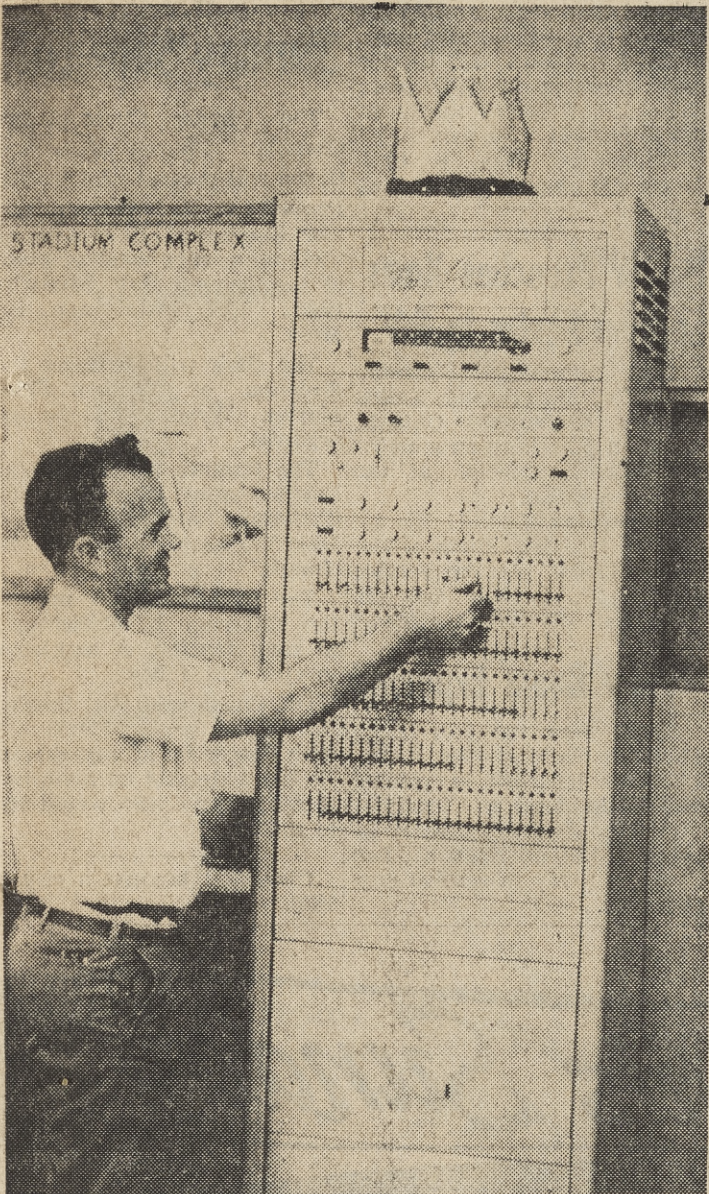

The Monte Vista High School marching band took top honors in the sweepstakes division for the third straight year at the annual El Monte Christmas parade.

Under the direction of Monte Snyder, the band scored a 96.1 to retire the sweepstakes trophy. They will attend the parade next year as honor band according to officials.

In other recent competition, the Marching Monarchs took a fourth place award at the 28th Annual All-Western Band Review in Long Beach.

The Mt. Miguel High School band took a third place in Class AA Competition in Long Beach. Larry Curtis is band director for the Matadors.

Jeanne Veliquette of Mt. Miguel picked off top spot in solo majorette competition while Helix Drum Major Tim Bulow won top drum major award in the Long Beach test.

BIG BROTHER: Monte Vista High School in Spring Valley has come under the influence of modern technology and space age advancements. As a matter of fact... the school operates under a "Big Brother" system. The electronic complex was recently installed at the school. Ed Harper of Lemon Grove, representing Calif. Electric, was at the school last Friday to de-bug the system. Part of the test included a fire drill by school officials. The fire system, along with speaker connections throughout the school can be controlled either individually or a total unit by officials.

Our Kid is Taking Narcotics

The job of being a school trustee is one that is productive of few displays of appreciation.

At the elementary level trustees are caught between the citizen's ability to pay and the demand for more pay from the district's employees.

At high school and college level, the problems are greater in number and wider in scope.

It was during a conversation with Lemon Grove's erstwhile banker, Bob Dryden, a Grossmont High School/College trustee that some of these greater problems became manifest.

One problem that worries and frustrates parents more than any, is the narcotics matter. It also worries trustees, the faculty, the police, and the public.

Youngsters involved in this dangerous activity are thoroughly convinced that marijuana is less harmful than alcohol. They are wrong. Any doctor will tell them so. Any policeman will tell them so. Unfortunately, when youngsters become victims of any of the various drugs or narcotics, they have already come to a decision to accept the danger and seek no advice, least of all from parents. Yet the dangers of LSD, and narcotics can be offered as laboratory facts.

But the problem grows.

Knowledge that a youngster is involved in dangerous drugs hits the family with shocking impact. A couple of pills in the youngster's dresser drawer could be the tip-off. Often the knowledge comes when parents find their youngster "high."

And as cruelly heartbreaking as any way is to have the police bring the youngster home — or to have a school official inform parents of the situation.

Then comes the Grossmont High School District policy of refusing to permit youngsters, who have been guilty of nar-

New Cafe Opens In L.G. Today

Lemon Grove's newest cafe, The Tea Pot Inn, 8015 Broadway, opens today.

The restaurant will offer both American and Cantonese food and it will be open for luncheon, too.

The restaurant is operated by Howard Quon and Wendell Hom and is the second in a string of Tea Pot Inns — the original one being at 1602 National ave., in Chula Vista.

The building, which until recently housed El Morocco, has been completely renovated and redecorated. The interior is now Polynesian. Cocktails are served and exotic South Sea drinks, such as Mai Tai, the Fog Cutter, Singapore Sling, Scorpion, Zombie and Voodoo are featured. Cup of Gold, a rum drink, is the house specialty, according to Quon.

Lunches will feature prime ribs of beef for \$1.85. Dinners start at \$1.95.

Tea Pot Inn is open every day at noon and closes at 11 p.m. except on Friday and Saturday closing is at 2 a.m.

DIMES CHAIRMAN: H. C. Stubbs (right) of 6800 Mallard st., San Diego has been named Lemon Grove Chairman for the annual March of Dimes fund-raising campaign against birth defects, according to Sheriff Joseph O'Connor (left), 1969 campaign chairman. Shown with the workers is Mrs. Stubbs. The three display some of the collection items to be used during the campaign. Sheriff O'Connor said that the fund goal in San Diego County will be \$150,000. The campaign will begin Jan. 1, 1969.

NEW HOME SWEET HOME — The Lemon Grove office of the S.D. County Sheriff's Department moved into new, larger quarters earlier this month at 7859 Broadway. The site is the parkade adjacent to Winchell's Donuts.

In the photo above are Stenographer Virginia Hinkle, Captain Quentin Cash, commander of the East County Station, and Ted Kohl, juvenile officer.

IN SUNNY, LEMON GROVE

Bright, New Home For Sheriff's Men

If the local gendarmes look less poverty-stricken, they can thank the County Property Management Department for

Grove office for the personnel of the Sheriff's Department at 7859 Broadway, in the parkade adjacent to Winchell's Donut establishment.

The officers and civilian employees need no longer breathe down the necks of each other with the new facility four times as roomy as the nineteen year long location they had on Main st.

The new facility was staffed Dec. 2 and became fully operative. The public will be invited to view the air-conditioned and carpeted facilities at an "open house" to be held soon after the holidays, according to Captain Quentin Cash, officer in charge of the East County operation.

Staff members presently are: Virginia Hinkle, steno-

grapher; Detectives Tom Johnson, John Whalen, Jim Scott, Roger Jacobs, and Juvenile Officers Ted Kohl and Skip Armstrong.

The men comprise the detective force for the Lemon Grove, Spring Valley, Vista La Mesa, and Casa de Oro areas.

Space is provided for 15 Patrol officers who will give 24-hour police protection to these same areas.

The office will normally be open from 8 a.m. to 5 p.m. weekdays to take citizens' complaints, receive civil papers and perform various other law enforcement functions.

The new office contains approximately 2,400 square feet and is leased through June 30, 1972.

Eighty More Help Retarded Home Drive

This week's list of subscribers taking part in the Home of Guiding Hands project totals 80. It brings to 374 the number who have given aid since the project started in mid-November.

Proceeds from this campaign, over and above the expenses involved in distributing the newspaper. Part of the subscription price goes directly to the Home.

The Home of Helping Hands aids the mentally retarded. Many patients there now will never have another home. The facility depends on gifts from the public for its needs as it is not supported by any public agency.

The Home of Guiding Hands is located at 10025 Los Ranchitos rd. in Lakeside. The money collected for them as part of this campaign will be used to landscape the grounds.

Each week a list of subscribers taking part in the campaign will be listed. This week's list:

Always and Everywhere

Let no one imagine that it is a strained and unnatural thing for one to pray. The contrary is much closer to the fact. It is far more unnatural for one not to pray. Prayer is one of the most natural of human instincts. Prayer is man's response to the divine will.

Learn Spanish the Easy Way

Hardison's Telespanish

by James Hardison

"How does one say 'soles and shoes' in Spanish. In a recent visit to a shoe shop in Mexico, I was unable to make myself understood. Would you present some words and phrases that could be used in a Spanish speaking shoe shop situation?"

We may begin by learning the name "Zapateria" which means "shoe shop." This is not too easy to pronounce until it is broken down into syllables, "sah-pah-teh-REE-ah." Special emphasis should be made to pronounce a strong "REE" for the next-to-last syllable.

A preferred word for sole is "suela." Thus we may say "Cambia la suela." for "Change the sole." If you wish to have a "half sole" then you might add "una suela mediana" which means "half sole." You may also wish to say "una suela completa" for "a whole sole."

If you wish new heels to be placed on your shoes then you may say "Tacones nuevos, por favor." The Shoeman (Zapatero) may then ask "Goma o cuero?" which means "Rubber or leather?"

Once you are in the Zapateria (sah-pah-teh-REE-ah) you also may wish to have your shoes dyed. It may be easy to say "Un color nuevo" (A new color) or "un tinte" (a dye).

Most common selections for shoe colors are "cafe" (brown), "Blanco" (white) and "Negro" (black).

For a final touch, you may wish to have your shoes shined. Here a simple expression, "Una boleada, por favor." (A shine, please.) usually gets your message across.

Practice phrases found in today's lesson will help you to communicate some basic ideas in a shoe shop where Spanish is spoken. You can practice these with the automatic recording when you dial 276-2762 on your telephone.

IMPORTANT PHRASES

Say "Cambia la suela." (KAHM-bee-ah la soo-EH-lah)

for "Change the sole."

Say "Una suela mediana." (OON-nah soo-EH-lah meh-dee-AHN-nah)

for "A half sole."

USEFUL PHRASES

Say "Que clase de suela?" (KEH KLAH-seh deh soo-EH-lah)

for "What kind of sole?"

Say "De cuero, por favor." (deh koo-EH-roh por fah-VOHR)

for "Of leather, please."

OTHER PHRASES

Say "Un tinte cafe." (oon TEEN-teh kah-FEH)

for "A broken dye."

Say "Una boleada tambien." (OON-ah boh-leh-AH-tha tahm-bee-EHN)

for "A shine also."

TACOS MAKE BIG HIT

Exchange Students Find Monte Vista High School Life Different Here

By MARY BONNER
Monte Vista Journalist

Some interesting additions have been made at Monte Vista High School this year.

The AFS is a private, nonprofit, educational organization for the purpose of furthering the understanding and goodwill among the peoples of the world.

It brings teen-age students from abroad to North American schools. Living in the North American communities with the American families for one year, fosters an understanding.

An example of this is the difference in the food requirements in the diet, living in

United States for one school year. They are required to return to their homeland at end of the school year.

chum, Gabriele pointed out.

Compares Calif. Living

Comparing California with her native Uruguay, Susanna said that the mountains, the streets with three or more lanes, the zoo and Disneyland have caught her eye.

She also said that the beaches in Uruguay are much better than those in California. Her father runs a beach resort in Uruguay.

In Uruguay, the school day runs from 8 a.m. to noon. At Monte Vista High School, the student days ends at 3 p.m.

The evening hour at the Doyle's has Susanna confused. Prior to coming to the United States, her dinner time was usually at 9 p.m.

School dances also surprised her. She is used to dancing with her shoes on, instead of

off. High School dancers here remove their shoes in order to avoid a scratched up gym floor.

Susanna says she will miss her family and friends when she returns to Uruguay. Gabriele said with much enthusiasm and little hesitation that she will miss tacos.

County Receives Stiff Shot From Alcoholic Returns

The unincorporated area of San Diego County has received \$40,552 as its six-month share of the special fees paid by holders of alcoholic beverage licenses.

The payment was made by the state's department of alcoholic beverage control which allocates 90% of all license fee money back to individual cities and counties where it is used to offset the costs of police and fire protection, schools, highways, hospitals and other government services.

The remaining 10% goes into the state's general fund where it is used for similar purposes.

The most recent payment was for the six-month period ending Aug. 31, 1968. San Diego County as a whole, including the unincorporated area, received \$247,570 for the period.

A package store beer and wine license costs the owner \$37, with a yearly renewal fee of \$12. A general on-sale tavern license costs \$6,580 originally, with an annual renewal fee of \$580, while a beer and wine only tavern license costs \$234, renewable yearly for \$84.

Scholarship Show Plans Formulated

During the Dec. 6 board meeting of the Spring Valley Community Welfare Inc., the subject of the annual "Scholarship and Luncheon-Fashion Show," was discussed.

The date has been scheduled for February 18 in the Spring Valley Community Council hall (formerly Chamber of Commerce hall) on Meory Ln., Spring Valley.

Mrs. Howard Allen, ways and means chairman for the Welfare group, who did such an excellent job on last year's show, has resigned her office and a new chairman will be appointed, possibly at the Dec. 17 general meeting.

Mrs. Allen said she will continue to be active in the organization.

Mrs. Thelma Lewis, needy families chairman for Welfare, said five families were assisted during the month of Nov. and 23 persons were included. Those assisted were given an amount of canned goods. These five families also received clothing and shoes.

The families were in addition to 18 other local needy families who were assisted with Thanksgiving food for that holiday.

Mrs. Agnes Watkins, shop chairman, said Shop No. 2 on Gillespie st., is still open 3½ days per week.

Students Work Hard During Vacation Time

Christmas vacation does not mean relaxation for all students at Mt. Miguel High School.

To date, 40 students have applied for work during the busy holiday season. In the past, as many as 60 have required jobs during the Christmas season.

Gift wrapping and sales work are the two primary sources of employment. Some restaurants take on extra help over the holidays and a few boys secure jobs in the stock rooms of the larger department stores.

Girls usually make up 75% of the Christmas workers, due to the nature of the jobs. Some will continue working on a part-time basis when school resumes.

With the approval of their counselor, students are allowed to miss the week of school, preceding vacation, Dec. 16-20, in order to work. They must be passing in all subjects with a "C" average and have satisfactory citizenship grades.

No credit is given unless the students are a part of the Work Experience Program. This program, in which 86 are now enrolled at Miguel, offers full credit to those who work 10 hours a week for a semester.

They must be paid minimum wages.

Canned goods were taken to the La Mena Welfare Department for distribution during Thanksgiving.

"Much credit is due to the Helix faculty who inspired their students to go out and bring in cans," Chris De Gaetano, canned food drive chairman, said.

Challenges were made by first period classes to other

first period classes. Twelve classes issued challenge, while all classes were in competition to see which class could bring in the most cans according to class percentages.

Monte Vista Drops 3 In Row Takes On Castle Park Saturday

By SCOTT MCGAUGH
Monte Vista Sports Writer

After winning their pre-season opener, the Monte Vista High School basketball squad dropped three straight games last week against Poway, Madison and Morse High Schools.

Against Poway, the Monarchs had a big second quarter and led at the half, 41-32. Jim Krattli had come on to spark the Monarch rally.

Poway then came on to outscore the Monarchs by eleven in the final two quarters to win, 73-71.

Then, in playing the number two team in the County, the Monarchs lost to the Madison Warhawks, 74-60.

Roger Sommers Scores

Monarch Roger Sommers had the greatest game of his life as he sank 22 points. Sommers shot a blistering 56% in making 11 of 19 shots.

Madison was red-hot throughout the game as the Warhawks sank 55% of their shots. The Monarchs shot at a respectable 40% clip.

Then, last Saturday in the Monarch gym, Monte Vista lost to the Morse Tigers, 70-49, in a thriller to the final few minutes.

Although they trailed by over ten most of the game, the Monarchs came on to pull within three, 44-41, with 5:07 remaining in the game. Morse then scored 16 points in a row and controlled the ball for two minutes and seven seconds before Monte Vista could score.

Jim Bristol led the scoring for the Monarchs with 17. Ernie Arroyo followed with seven and Roger Sommers had six.

The Monarchs will return home to take on the Castle Park Trojans this Saturday in the Monarch gym.

Mt. Miguel High Gets Partial Face Lifting In 1968

Mt. Miguel High School has gone through many changes this year, including a remodeling of the Boys' gymnasium, which is nearing completion this month.

The White-Shirley-Wark Construction Company has nearly finished the construction of the new wrestling room, which will be in operation this week. There are only a few finishing touches to be made on the structure.

The old wrestling facility was turned into additional locker space to accommodate the increasing number of students, according to M. C. Grant, principal at Mount Miguel.

Mt. Miguel Stopped After Winning 34 Straight

By JOHN NICHOLSON
Mt. Miguel Sports Writer

LATE SCORE: The Matadors caked out a tough San Diego High 65-63, Tuesday night in a tight match as Ken Barston sank a free throw with three seconds left to tie the game 63-63, after a technical had been called on S.D. High. Dave Hill pushed through a two pointer from the floor in the closing seconds to put the game on ice for Mt. Miguel. Barston scored 23 points in the game while Charlie Gregg backed him up with another 14.

Mt. Miguel high school's basketballers have opened non-league season play. They have a three-wins, one-loss record as of Dec. 10.

The roundballers tipped off the year against the Hilltop Lancers Nov. 29 at the Miguel gymnasium, and romped to an easy victory. When the buzzer sounded, the Matadors walked off with its thirty-third straight win (over last year and this), 56-48.

Kenny Barston, Miguel's 6'9" tower-of-power, led the game with his timely baskets and spectacular defensive efforts. He also pulled down rebounds like they were going out of style.

December third saw Miguel take on a tougher opponent in Vista, one of the top teams in the county. The Matadors played

ed very well in the first half and it appeared that Vista would be entirely unable to come back to within striking distance as the buzz was heard. But they did.

When play resumed in the third period, Vista began using the press and caused several turnovers. Mt. Miguel's lead slowly dwindled until midway through the fourth quarter when the Vistans were knocking at the door.

The Matadors fought back, however, and with the help of Barston's rebounding and defense they began to pull away again. They stretched their lead to as much as eight points before the game was over and the Matadors had their 34th straight win, 49-46.

Last Friday, Mt. Miguel traveled to Crawford high school to meet the Colts, who were favored to gain revenge for the 99-38 shelling they took last year. The Matadors, on the other hand, wanted badly to win their 35th.

Crawford went out in front in the first quarter, 9-7. At the end of the quarter, Coach Bob Cother of the Miguel JV, insisted, "We'll either win by a couple or lose badly."

The Matadors pressed in the second quarter, but were unable to stop the fired up Colts, as they drew out by a couple of points. When the gun sounded at the half, Crawford had a four-point edge.

The third quarter opened

and the Matador Machine started off smoothly, taking over the lead within a few minutes. But the Colts wouldn't give up, and the saw battle saw margins of no

more than four points.

Nobody moved until the buzzer signified the 53-49 victory for Mt. Miguel.

The next night, Mt. Miguel took on the Saints at St. Au-

gustine. The Matadors, tired from the terrific battle the night before, were unable to get anything going against the Saints' defense.

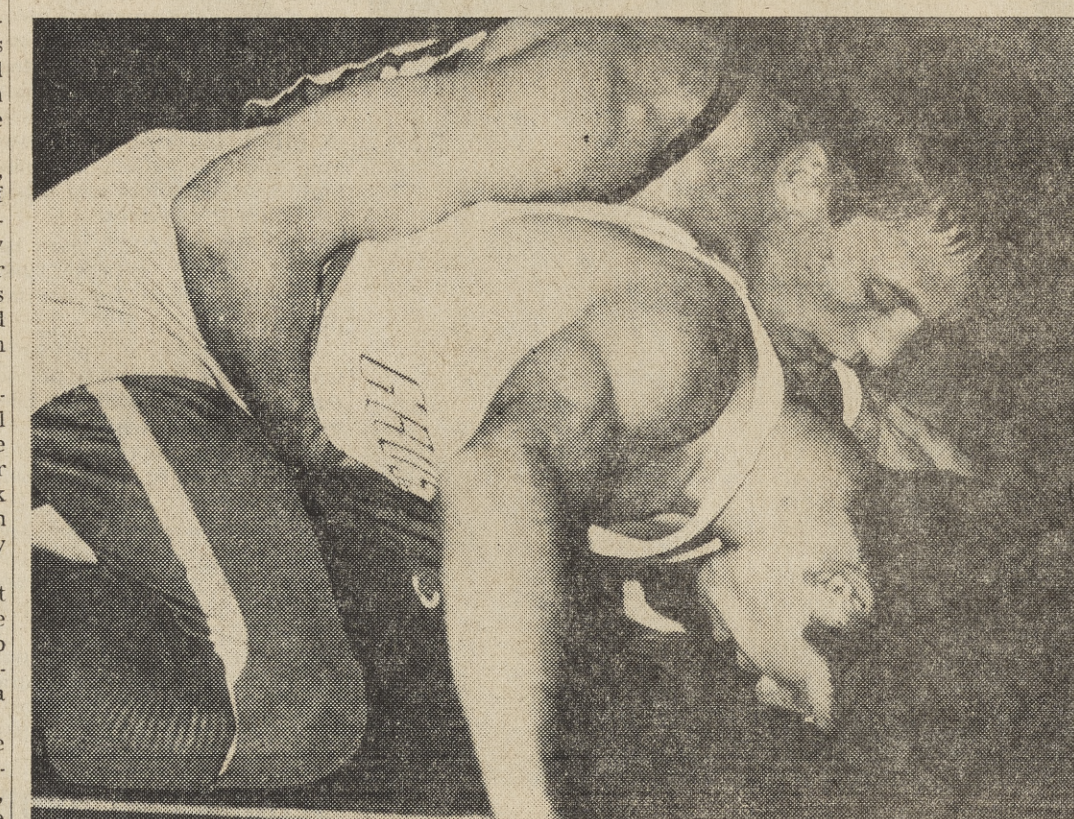

The Saints, however, were able to score at will against

Miguel, thanks to the speed of Enlow Henry.

Henry took scoring honors for the Saints, with 30, while Ken Barston tossed in 35 for Mt. Miguel. For Barston, it was his high of the year, but he could not get enough points from his teammates to win the game.

Mt. Miguel's frosh have played two games this season, and have won both. The score was 53-37 over Hilltop's sophomore and 59-43 over Earl Warren's ninth-graders. The frosh were scheduled to meet Mar Vista frosh yesterday.

Mt. Miguel's JV were more fortunate against Saint Augustine than the varsity, as they edged the Saints JV, 50-48. Don Slater hit some twenty points for the Matadors.

PINNED: Marley Ellis, a member of the Mt. Miguel High School Wrestling team gets ready to pin a Grossmont High School team player in the Kiwanis Invitational Wrestling semi-finals held last week at Southwestern Junior College. Ellis, along

with Dale Sisson, Doug Howarth, Billy Joe Winchester, Dennis Romero, Ron Kraft, Richard Lackey, Robbie Brown, Chris Wilhite and Les Stewart advanced in the final round of the invitational meet.

Helix Faces Castle Park In Friday Nite Preseason Hoop Clash

By DON KIENER
Helix Basketball Writer

The top ranked Helix High School basketball team will take on fourth seeded Castle Park, tomorrow night at 8:30 p.m. on the Trojans court.

The Highlanders, who may have had the toughest preseason schedule in the county, have yet to play Hilltop before the Kiwanis Tournament which will be held Dec. 19-21.

Except for Hilltop, every team the Scotties play are rated within top 12 ball clubs in the county.

Madison is No. 2, Hoover No. 7, Chula Vista No. 10, San Diego No. 11, and Castle Park No. 12.

On Tuesday, Dec. 3, the Scots edged out Madison, 70-67, for their third straight pre-season victory. They defeated San Diego, 62-45, and Hoover 77-62, respectively, prior to the Warhawks.

Boasting only a lead of 33-30 at halftime the Highlanders rallied early in the third quarter to a 53-39 lead.

The Scots got into foul trouble and starters Bruce Walton, Dave Unroe, and Bruce Menger all fouled out in the fourth quarter.

The result was a Warhawk surge that sliced the margin to 65-64, with 30 seconds left to play.

Hawks Drop Tight Soccer Match, 1-0

The Lemon Grove Hawks dropped a tight match to the Clairemont International soccer team in San Diego Junior County Soccer play at San Diego State College Saturday afternoon.

The Hawks moved from third down to fourth place in league standings in the junior division. They hold a 2-2 record for the season in league action.

In other play, the Challengers of Lemon Grove lost 3-0 to Always Ready of National City in a game played at Southwestern College in a minor league clash.

The two Lemon Grove teams will remain idle until the first of the year when they swing into the second half of soccer play in the 21 team league in San Diego county.

Mike Getz made a clutch lay-in and reserve forwards Dan Coleman and Butch Paddock combined to sink three free throws to kill the Madison rally.

The well balanced Helix attack was led by Menger and Randy Madsen with 17 and 16 points in that order. Mike Dupree had 12, and Walton 10.

It was the second straight game the Highlanders had at least four players in double figures. Against Hoover, all of the starting five were in that category.

The significant aspect of these victories is that junior center and No. 1 player Bill Walton (6-10) is out with a broken foot which he sustained during practice in early November.

He will return to action for the Kiwanis Tournament.

Griffins Take On Mar Costa In Hoop Clash

The Grossmont Junior College Basketball team will take on Mira Costa and then Santa Ana as they travel up the coast for pre-season action.

Both games will get underway at 8 p.m.

Bill Gillespie's team, now in a rebuilding stage lost five of their starters from last year. He has been substituting freely in all of the pre-season games to date.

The Griffs fell to Riverside 96-83 and then to Fullerton 91-80. The only win that they have picked up as of Tuesday, Dec. 10, was at the hands of San Diego Mesa with a 88-73 final score.

Dave Patrick is leading the Griffs with a 15 point average, while Gary McCallister, Blake Matthews and Brent Finney close out the top four in the scoring department.

Matthews, former Mt. Miguel star, has stacked up a 14 point game average. He has hit 14 out of 15 from the free throw line for a 93.3 per cent average.

Mt. Miguel Wrestlers Take Second Place At Kiwanis Invitational Meet

By MARK WALKER

Led by Dale Sisson, Mt. Miguel's wrestling team took second place in the Kiwanis Wrestling Tournament at Southwestern Junior College.

The two-day tourney saw nine Matadors place in the finals enabling the defending C.I.F. champions to do well in the first competition of the season.

Robert Cother Takes Over JV Team At Miguel

Robert Cother, counselor at Mt. Miguel High School has taken over at the helm of the junior varsity basketball team.

Cother, who holds a Masters' degree in counseling started teaching at Mt. Miguel in 1967. He has been in athletics throughout his life.

Mt. Miguel will be looking for a highly successful season with 12 sophomores and three juniors rounding out the team ranks.

Cother said, "I missed the 'good old days' of athletics". He was a backfield coach for the football team during the past season.

Tom Parks Wins Berth On CIF All Star Team

Tom Parks, representing Helix High School has been named to the Breitbard Athletic Foundation's All-Grossmont League football election.

Parks was an offense guard for Helix. Billy Joe Winchester, Jeff Buckner, and Dennis Weikel were named to the defensive team.

Winchester, a lineman, and Buckner, a linebacker, were on the Mt. Miguel team. Weikel, a linebacker, represented Monte Vista High School.

Back of the Year went to Fred Hight of El Capitan, while Dale Penock of Grossmont and Mike Dagley of Granite Hills were named co-linemen of the year.

Wrestlers Battle Today

The wrestling match between Mt. Miguel High School and Chula Vista scheduled originally for Tuesday afternoon will be played this afternoon at 3 p.m. at Mt. Miguel.

The duel is a non-league match. Coaching the Matadors is Ned Blass.

In the 145 pound division Matador senior letterman

Doug Howarth was beaten only by Skidmore of Monte Vista to take second place.

Matador Richard Lackey finished third in his division. A halfback on Mt. Miguel's football team, Lackey worked hard to sweat off his excess poundage to reach the 112

Rick Ingraham Named Water Polo All Star

School District In Financial Hotwater

The La Mesa-Spring Valley School District has delayed action that would call for a tax override election to help the district solve its financial crisis.

The bleak financial picture was painted before the eyes of board members on Dec. 2 when Assistant Superintendent Dale Hobson gave a presentation of the district's balance sheet.

A low tax rate adopted last year, a decrease in both state and federal funds, increased salaries, along with an increase in costs for personnel, and materials at the La Presa Junior High, (under construction) have utilized the district's reserve account.

The board made their decision to delay the tax override because, "It's too early to tell really where we stand financially," according to Hardy

This policy is a good, strong policy — one that will help stem the situation rather than encourage it.

But the poor befuddled youngster didn't take drugs because he is criminally inclined. He is the victim of time — a time which is symptomatic of sick governmental leadership. Leadership which winks at lying, stealing, and immorality. And of broken families with all that implies.

So we face the problem of the parent finding proof that the youngster is popping, sniffing, dropping or pumping drugs. According to trustee Dryden, some parents turn the kid over to the police.

He suggests that a better way would be for the parents to take the youth to the family doctor.

The police run them through juvenile court and the court gives them a mild slap on the wrist and a little filip has been added to the dangers of drug taking for the youngster.

Dryden denies that a doctor's certificate is acceptable for getting the youngster back in school. He reports that some anguished parents call him, as they have the privilege of doing, to seek his advice. He does not suggest that parents try to keep the information a secret from law officials.

"But I think it is a good idea to talk to the doctor first," he says.

In such matters, doctors are not required to report it to the police.

We think Dryden's idea is good.

Chicago-Teevee Coverage Biased Says Van Deerlin

Congressional investigators have turned up evidence that events video-taped for television were edited in a way to bias coverage of last summer's Democratic National Convention, Rep. Lionel Van Deerlin, D-San Diego, said last week.

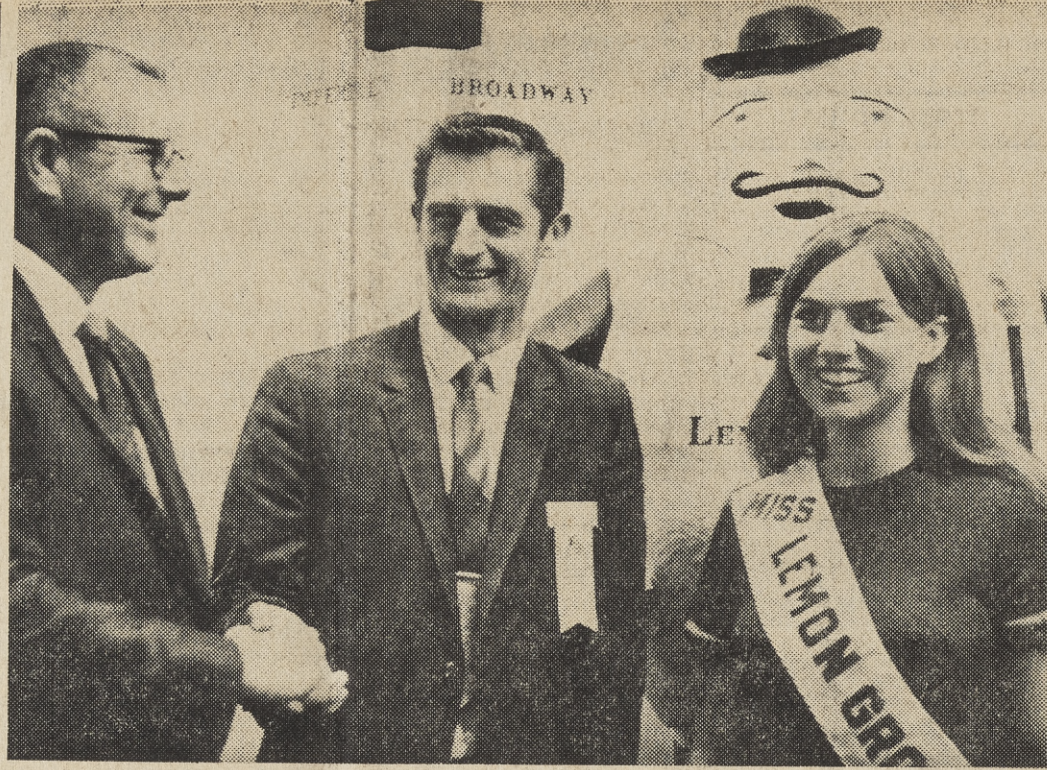

He said the investigators, for the House Commerce Committee, were shown tapes in which voices "explaining" the provocative actions of demonstrators in their confrontations with Chicago police were omitted from programs later put on the air.

Van Deerlin warned an audience of broadcast news directors that such news slanting, if substantiated, could lead to reprisals by Congress in the form of tighter federal controls over the broadcast industry.

"No one wants to interfere with the legitimate right of free speech," he said. "Moreover, a certain amount of editorial judgement must go into the preparation of any news show."

"But Congress also has a responsibility to protect the right of the public to fair and impartial treatment of the news on what are, after all, the public's airwaves."

When the 91st Congress convenes in January, Van Deerlin will be the ranking majority member of the House Communications and Power subcommittee, which has legislative jurisdiction over radio and

GALA EVENT: Harry Scheidle (left), Frank Shughrue, jr. The event was attended by more than 350 businessmen, Chamber members, and persons representing service clubs in the community and area residents. Scheidle, who will take office as Supervisor in Jan. along with Supervisor Robert C. Dent extended their congratulations to Chamber President Shughrue in the opening of the new office. Miss Lemon Grove acted as host for the event.

television. He serves also on the Investigations subcommittee, whose staff is probing the Chicago convention coverage and some other controversial network news programs.

The San Diego Congressman said he has detailed information about "at least two sequences that apparently were edited by CBS to tell only one side of the story of the Chicago disturbances."

One tape showed demonstrators assembling in the city's Grant Park, and the other depicted clashes between demonstrators and police outside the Conrad-Hilton Hotel. "In both these tapes, the voices of announcers or reporters describing police restraint or crowd hostility were never heard by the public," he said.

Girls Take Over Helm

An all-girl slate of officers was elected Nov. 26, to lead the Freshman class at Monte Vista High School.

Newly elected officers are Vonna Knight, president; Patty Jones, vice-president; Carmela Anderson, secretary; Diane Malzahn, treasurer.

Sex Education Plan Discussions Delayed

The steering committee on Family Life and Sex Education, meeting in Heartland YMCA hall on Dec. 5, voted to delay considering a sex education program, proposed to use in La Mesa Spring Valley schools.

Mrs. Leonard Ruth, chairman, said the proposal probably will be considered sometime in January.

Approximately 25 persons heard the panel discuss the issue, the panel being made up of Mrs. Ruth of Foothills Secondary Council; Peter Doyle, member of La Mesa-Spring Valley School District Board of Education and Dr. William Leovy, a La Mesa physician, representing the San Diego County Medical Society.

AROUND SPRING VALLEY

Santa Claus Makes Rounds In Spring Valley

As Christmas draws near you will see a Santa Claus on nearly every street corner of the bigger and smaller cities of the nation.

You'll find a Santa Claus in every department store in your city, and there will be lines of small (and some not so small) children, ready to tell Santa his or her desire come Christmas morning.

Each child, bashfully, sometimes through the urge of a parent, may sit a while on Santa's lap to whisper the crave for toys, a dolly or a baseball glove.

Santa Claus is actually known the world over; in some nations known by a different name. But regardless, the meaning is the same; the Spirit of Christmas.

Santa Claus's everywhere. But here in Spring Valley, the Spring Valley Woman's Club, each Christmas season, has the distinction of presenting to its members and to guests of two local rest homes . . . Mr. and Mrs. Santa Claus.

Each year, just before Christmas, Mr. and Mrs. Santa Claus with sleigh bells ringing and their jolly, "HO, HO, HO's," and "Merry Christmas Everyone," echoing throughout the Chamber of Commerce hall, appear to present gift exchange presents to the club members.

It all started with Santa

Claus, and a few years later, two club members took it upon themselves to prepare a red and white Mrs. Santa Claus costume.

Each Christmas time also, sleighbells ringing and the merry "Ho, Ho, Ho's" of Mr. and Mrs. Santa Claus, help as packages are distributed at the two rest homes.

Mr. and Mrs. Santa Claus and ladies of the Woman's Club are told the guests (patients) of the homes, await eagerly, each year, the arrival of M. and Mrs. Santa Claus.

As one nurse put it last year, "This lady didn't say a word for a long time, until Mr. and Mrs. Santa Claus arrived with the packages. You can't imagine the good therapy this brings."

The distributing of Christmas packages to the rest homes, began by the Spring Valley Woman's Club in 1962, due to an overload of such a program in Casa de Oro, said Mrs. Alma Arrington, the president of the Spring Valley Woman's Club.

Mrs. Arrington said at first each patient at the rest homes were asked what he or she wanted for Christmas. As time went on the club purchased various useful articles and goodies for the patients, and the club mothers made up the boxes.

The Mt. Miguel High School Vocal Music Department will present the annual "Christmas Wonderland" concert in the school gymnasium on Saturday, at 8 p.m.

The 250 singers will combine to sing the "Hallelujah Chorus" from "The Messiah" by Handel, "Do You Hear What I Hear?" and "O Holy Night."

The Girls' Ensemble, which will be traveling to Honolulu in the spring, will be heard in the comedy number "Fruitcake," as well as "Angels and Shepherds" by Kodaly and "Christmas Party," with Sandy Sjogren and Jan Isley as dancers.

The Girls' Glee will sing "Grenslows" and "Carol of the Bells." The Concert Choir will perform "The Twelve Days of Christmas," with the modern dance class interpreting the

music in dance. "Hodie, Christmas Natus Est" by William, and "Carol of the Drum."

proved, money has to then be appropriated for them.

"When you look at the cost on an individual basis, it does not appear to be that high, but when you consider that there are some 20 other requests for lights in areas throughout the County, the cost as a total then becomes a major budget item."

The Mt. Miguel High School PTA has been instrumental in the request for lights. So has Melvin C. Grant, principal of the school.

Traffic lights for the intersection could cost around \$20,000.
